WESTERN COLLEGIATE HOCKEY ASSOCIATION

This is the Western Collegiate Hockey Association

Spanning six decades and marking its 59th season of men's competition and 12th season of women's competition in 2010-11, the Western Collegiate Hockey Association continues to be defined by its history, its tradition and its continuing success.

From its founding days in 1951 as the Midwest Collegiate Hockey League (MCHL), on to the Western Intercollegiate Hockey League (WIHL) in 1958, and finally to the Western Collegiate Hockey Association (WCHA) in 1959, this prestigious athletic conference has developed and maintained a tradition of excellence that truly is second to none.

No Division I collegiate conference - in any sport - can top the impressive list of national scale accomplishments of the WCHA and its member teams. Since 1951, teams representing the men's WCHA have earned a record 36 NCAA (national) championships, finished as the national runner-up another 27 times, and qualified for a berth in collegiate hockey's national championship round - the NCAA Men's Frozen Four - in 54 of 58 seasons overall. And since it's founding in 1999-2000, teams representing the women's WCHA have now captured 11 consecutive national championships beginning the first year of 2000 and on through the most recent campaign of 2009-10 when Minnesota Duluth earned the program's fifth women's NCAA Frozen Four title.

In addition to its unmatched team successes in national championship tournament play over the years, the Western Collegiate Hockey Association also owns an enviable reputation for producing outstanding coaches and student-athletes, with hundreds of its alumni tracking successes in both international and professional competition. On top of the more than 250 men's and women's league alumni who have Olympic experience playing for the likes of the USA, Canada, Italy, Norway, Austria, Germany, Sweden, Finland, and France, conference-member teams and players have also received additional international exposure on a regular basis since 1951. The men's WCHA has hosted touring teams from the USSR, Canada, Sweden, Czechoslovakia, Latvia, Germany, Italy, Finland, Norway, Switzerland, England and France and has also sent WCHA All-Star Teams to Europe in both 1998 (Switzerland) and 2000 (Norway).

The women's WCHA and its member team student-athletes and coaches have also enjoyed tremendous success on the international ice hockey scene since 1999. The WCHA has regularly put together all-star teams, including one in the most recent 2009-10 season which took on the U.S. National Team at Xcel Energy Center that September.

As the women's hockey tournament came to a close at the 2010 Winter Olympics in Vancouver with Canada's 2-0 victory over the U.S., it brought to a close a very successful campaign for players with ties to the WCHA. In all, 25 current and former WCHA athletes from Canada, the U.S. and Finland earned medals in the Olympics. Five players from the WCHA earned gold medals for Canada, including former UMD forward Caroline Ouellette, who ranked third on the team with 11 points (2g, 9a) in the tournament. UMD forward Haley Irwin also tallied four goals in the competition, fourth-most on the squad. Another 13 WCHA players brought home a silver medal for the U.S., coached by Wisconsin's Mark Johnson. In 2009, the women's WCHA had more than two dozen current and former players compete in the IIHF Women's World Championship in Finland,

including 12 for Team USA and others for Canada, Sweden and Finland. And in 2008, the women's WCHA had six of its players help lead Team USA and coach Jackie Barto (Ohio State) to the gold medal in Harbin, China.

Just a few of the more than 400 past and present National Hockey League's who have roots in the men's WCHA include the likes of legendary goaltenders Tony Esposito, Eddie Mio Glenn "Chico" Resch and Mike Richter, defencemen Keith Magnuson, Lou Nanne and Curt Giles, and forwards Lou Angotti, Bill Masterton, Bill "Red" Hay, Red Berenson, Glenn Anderson, Mark Johnson and Brett Hull. The current crop of WCHA stars playing in the NHL include the likes of Zach Parise, Dany Heatley, Mark Parrish, Jordan Leopold, Jason Blake, Tyler Arnason, Mark Stuart, Thomas Vanek, Andy Sutton, Bret Hedican, Matt Carle, Joe Pavelski, Jonathan Toews, Tom Gilbert and Adam Burish. Toews and Burish won a Stanley Cup championship with the Chicago Blackhawks in 2009-10. And in the most recent season of 2009-10 alone, a total of 87 WCHA alums earned playing time in the NHL.

In terms of national attendance, both the men's and women's WCHA continue to set the pace among the Div. 1 leagues. Six WCHA men's teams ranked among the nation's top 10 schools in home attendance in the most recent season of 2009-10, with Wisconsin No. 1 (15,048 per game), North Dakota No. 2 (11,654), Minnesota No. 3 (10,107), Colorado College No. 6 (6,548), St. Cloud State No. 8 (5,670) and Denver No. 9 (5,527). On the women's side in terms of national attendance in 2009-10, Wisconsin was No. 1 in average per game at 2,227, Minnesota was No. 2 (1,132), Minnesota Duluth was No. 6 (610), North Dakota was No. 9 (484), Ohio State was No. 13 (382) and St. Cloud State was No. 15 (336).

In terms of individual honors in 2009-10, top awards for the men's league consisted of: WCHA Player of the Year Marc Cheverie (G, DU); WCHA Outstanding Student-Athlete of the Year Eli Vlaisavljevich (D, MTU); WCHA Defensive Player of the Year Brendan Smith (D, UW); WCHA Rookie of the Year Danny Kristo (F, UND); WCHA Coach of the Year George Gvozdecky (DU); WCHA Scoring Champion Rhett Rakhshani (F, DU); and WCHA Goaltending Champion Marc Cheverie (DU). On the women's side, top conference awards were as follows: WCHA Co-Players of the Year Felicia Nelson (F, SCSU) and Zuzana Tomcikova (G, BSU); WCHA Outstanding Student-Athlete of the Year Caitlin Hogan (F, SCSU); WCHA Defensive Player of the Year Anne Schleper (D, UM); WCHA Rookie of the Year Hokey Langan (F, OSU); WCHA Coach of the Year Steve Sertich (BSU); WCHA Scoring Champion Hokey Langan (F, OSU); and WCHA Goaltending Champion Noora Rätty (Fr, UM).

Off the ice, the men's and women's leagues had a combined 79 players named as prestigious WCHA Scholar-Athletes for 2009-10, with 40 of those being repeat honorees. Over the first five years of the award, there have now been 323 honorees representing all men's and all women's institutions. To earn recognition as a WCHA Scholar-Athlete, student-athletes must have completed at least one year of residency at their present institution prior to the current academic year and must also have a grade-point average of at least 3.50 (4.0 scale) for the previous two semesters or three quarters, or may qualify if his/her overall GPA is at least 3.50 for all terms at his or her present institution. The men's WCHA also had a record total of 119 student-athletes named to the 2009-10 All-WCHA Men's Academic Team.

In terms of exposure, more than 200 WCHA men's games were televised in 2009-10, including all five games live from the annual Red Baron WCHA Final Five by Fox Sports North. All four NCAA regionals, and all three games at the 2010 NCAA Men's Frozen Four in Detroit were also televised live. In addition the league also webcast all three games live via wcha.com from the women's WCHA FINAL FACE-OFF Championship in Minneapolis. The title game of the championship was also televised on a tape delay basis by FS North. This Week in the WCHA, the league's weekly men's radio show, marked it's 14th season in 2009-10.

The 2010-11 campaign will be an exciting one for both the men's and women's leagues, and will include new men's member teams Bemidji State and Nebraska Omaha, new state-of-the-art arenas opening at both BSU and Minnesota Duluth and a new format for the highly-successful Red Baron WCHA Final Five. In addition, the league has launched an all new wcha.com and online store for 2010-11.

Under the leadership and guidance of Commissioner Bruce M. McLeod and Associate Commissioner Sara R. Martin, prospects for another highly successful campaign for both the men's and women's leagues in 2010-11 are bright. Defending WCHA regular season champions are Denver on the men's side and Minnesota Duluth and Minnesota (co) on the women's side while defending WCHA playoff champions are North Dakota on the men's side and UMD on the women's side. UMD is the reigning NCAA Women's Frozen Four champion.

SEASON OUTLOOK

HOKEY LANGAN

If the last four games of the 2009-10 season are any indication, the Ohio State women's hockey team is ready to battle to the end and willing to work overtime.

The Buckeyes played into OT in each of the last four contests of the year and rallied three of those games to send it into overtime. Ohio State won twice in extra minutes to sweep Wisconsin out of the WCHA First Round Playoffs—a big upset on Madison ice. The Scarlet and Gray ended the year with heads held high after playing in the longest game in the 11-year history—an 83-minute double-overtime loss to eventual NCAA Frozen Four team Minnesota in the WCHA Final Faceoff semifinal.

That may be last season, but the Buckeyes return 19 letterwinners from that season who carry that gritty, hardworking mindset into the 2010-11 schedule. They are ready to lace up and get to work.

"We are going to play aggressively, with an upbeat tempo," head coach **Jackie Barto**, who enters her 12th season at Ohio State, said. "We will bring a strong work ethic to everything we do every day."

FORWARDS

Returning: **12** Lost: **2** Newcomers: **1**

"There's no doubt our strength is our offense," Barto said. "It's important to be unselfish with the puck, which we have been with solid playmakers and finishers. We are a year older and more experienced and we will have balance and depth. There will be competition and players challenging each other throughout the lineup."

- The offense doesn't take too many hits heading into the 2010-11 season. As the fifth-highest scoring team in the NCAA with 3.30 goals per game, Ohio State returns 83 percent of its scoring including its top 3 that combined for 142 points.

- In her first season, **Hokey Langan** made sure people took notice of more than her funny nickname. She became the first Buckeye to be the WCHA Scoring Champ and finished the season with 53 points—just one shy of tying Ohio State's single-season scoring record. The Chatham, Ontario, native also led the team with 25 goals while wrapping up her first college season as the league's Rookie of the Year and a member of the Second Team All-WCHA and All-Rookie Team.

- **Natalie Spooner** was a First Team All-WCHA honoree last season after finishing sixth in the conference with 22 goals—including nine power play and five gamewinners. The Scarborough, Ontario, native

gained even more experience over the summer by making her third Canadian Under-22 Team.

- **Laura McIntosh** was not recognized by the conference, but led the WCHA in overall assists with 35 and ranked fifth in the NCAA dishing out an average of 0.95 per game. The Waterloo, Ontario, product was only four assists shy of setting a new Ohio State season assist record and already has two of the top 5 spots on the category.

- Spooner and McIntosh, both voted assistant captains, could be two more additions to the Century Club this season. McIntosh sits 11th in all-time points with 84, followed by Spooner in 14th with 74. They continue to climb the career ranks of their specialties with Spooner sixth in goals (43) and McIntosh sixth in assists (63).

- The other two forwards of the junior class also bring plenty of talent. **Melissa Feste** had a career-best 20 points (10g, 10a) as a sophomore and **Kim Theut** had a second-half surge with eight of her 12 points tallied in the final 19 games of the season.

- The senior members of **Christina Mancuso** and **Jenna Kilpatrick** bring loads of experience to the forwards, with Mancuso voted captain for the 2010-11 season.

- **Minttu Tuominen** played the fewest games out of the 2009-10 freshman class, but may have learned the most last season after winning a bronze medal with the Finnish National Team at the Winter Olympics in Vancouver.

- **Paige Semenza** earned the team's Most Improved Player award as a rookie and looks to keep building on that as a sophomore after 13 points (4g, 9a) last season. Classmates **Tina Hollowell**, **Liz Rizzo** and **Amanda Boskovich** also look to continue developing after valuable time their freshmen years.

- The lone newcomer to the forward group is **Ally Tarr** from London, Ontario. She played for the Bluewater Jr. Hawks and led them in scoring three of four seasons.

DEFENSEMEN

Returning: **5** Lost: **1** Newcomers: **3**

"We gained more depth on defense," Barto said. "Our biggest goal is to reduce goals-against, and we need to play complete team defense. Success starts with commitment to defense."

- The Buckeyes lose one of their top defensemen from the last four years with the graduation of Rachel Davis. But a good mix of experience and youth is what awaits in 2010-11.
- The senior class includes three blueliners in **Teal Bishop**, **Sandy Nelson** and **Shannon Reilly**. Bishop and Reilly have been regulars in the defenseman rotation since their rookie season and Nelson improved last season with increased playing opportunities.
- The junior pair of Kelly Wild and Brittany Carlson, who have been playing together since high school. Coming off limited time her freshman season because of injury, Wild rebounded with a strong sophomore campaign. The Mendota Heights, Minn., native became a key on the special teams while tying for the most point by a defenseman with 21 (5g, 16a).
- Carlson, from Hudson, Wis., came up with some important points during the season, especially in postseason play. The primarily stay-at-home defenseman will be key on the backcheck and help guide the new members of Ohio State's defensive unit.
- The freshman class is made up mostly of defensemen with three new faces on the blue line – Becky Allis, Madison Marcotte and Annie Svedin. Allis, from West Olive, Mich., and Marcotte, from White Bear Lake, Minn., both bring good size with their 5-foot-8 frames. Svedin is Ohio State's first hockey player from Sweden and has a solid foundation of international experience.

GOALTENDERS

Returning: **2** Lost: **1** Newcomers: **3**

"There will be decisions to make in goal every day," Barto said. "We see it being that competitive of a position."

- **Chelsea Knapp** became the first freshman to start in net since the Buckeyes' inaugural season in 1999-2000. The goalie from York, N.Y., took a few lumps at first but quickly learned on the job and by the end of the season was an important part of Ohio State's run to the WCHA Final Faceoff. Knapp was 15-15-5 overall and ranks second in games-played and minutes in the Buckeye season records.
- Also patrolling the Ohio State goal is junior **Barbara Bilko**. She has limited playing time through her first two seasons, but is one of the team's hardest working members and continues to improve during her career.
- The Buckeyes add **Lisa Steffes** to the rotation in net. A great athlete from Amherstburg, Ontario, she is a mobile goalie who played with fellow freshman Ally Tarr on the Bluewater Jr. Hawks. Steffes is expected to make a quick adjustment to the college game. Also entering their freshman seasons are **Lindsey Brown**, from Mounds View, Minn., and **Loren Carrier**, from Chandler, Ariz.

JACKIE BARTO

HEAD COACH | 12TH SEASON | PROVIDENCE '84

Jackie Barto, the first and only head coach of the Ohio State women's ice hockey team, is in her 12th season at the helm of the Buckeyes. Over the past decade, she has established Ohio State as a top university for collegiate women's hockey while competing in the toughest conference in the nation - the Western Collegiate Hockey Association, winner of all 10 NCAA women's hockey championships.

Barto has led Ohio State to a record of 164-200-39 (.455) and has an overall career record of 234-253-49 (.482) in 16 years as a head coach, serving as head coach at Providence five seasons before coming to Ohio State. She recorded her 200th career win Nov. 24, 2007 and ranks seventh in career victories amongst active head coaches in NCAA Division I women's hockey while coaching in over 500 career games.

In February 2010, three of Barto's Ohio State products and a current player represented their countries in the Winter Olympic Games in Vancouver and each earned medals. Tessa Bonhomme won gold for Canada on its home ice, while Lisa Chesson took home silver with the United States. Emma Laaksonen and Minttu Tuominen won the bronze medal for Finland in an overtime victory against Sweden with Laaksonen serving as the team captain while playing in her fourth Olympic Games.

Under the guidance of Barto, Ohio State has collected numerous honors both on and off the ice. Over her 11 years, the Buckeyes have collected four AHCA All-America honors, including first-team selection Bonhomme in 2008. Bonhomme also was a Second Team All-America pick in 2007, joining fellow Buckeyes Jana Harrigan (2006) and Emma Laaksonen (2002) on the second-team list.

In 2008, Bonhomme was Ohio State's first two-time Top 10 finalist for the Patty Kazmaier Memorial Award, given to the top Division I women's hockey student-athlete in the nation. A Buckeye has been a finalist for the prestigious award a total of five times under Barto, with Jeni Creary (2002), Emma Laaksonen (2002) and Jana Harrigan (2006) joining Bonhomme's two nods.

Bonhomme also made Ohio State history when she was named both WCHA Player of the Year and WCHA Defensive Player of the Year, becoming the first Buckeye to receive either award as well as the first two-time First Team All-WCHA selection in program history.

Last season, it was a freshman who made history at Ohio State with Hockey Langan becoming the first Buckeye to win the WCHA scoring title while also earning the conference's Rookie of the Year

award, joining former Buckeye Jeni Creary who also collected the honor in 2002. Along with those accolades, Langan also earned spots on the All-WCHA Second Team and All-Rookie Team.

Junior forward Natalie Spooner earned a First Team All-WCHA nod for the 2009-10 season and defenseman Rachel Davis concluded her Buckeye career with a second-team selection. It was the most all-league awards earned by Ohio State in a season. The year concluded with a dramatic double-overtime loss to eventual NCAA Frozen Four participant Minnesota in the WCHA Final Faceoff semifinal game. The Buckeyes advanced to the conference tournament after two overtime victories on the road at then-defending NCAA champion Wisconsin.

Over the last four seasons, the Buckeyes have earned 12 All-WCHA teams awards. During its 11 years of women's hockey, Ohio State has received a total of 18 All-WCHA honors as well as WCHA Student-Athlete of the Year (Emma Laaksonen, 2004).

The awards for Ohio State in the classroom have been even more impressive during Barto's tenure, including 24 AWHCA Scholar All-Americans, 18 WCHA Scholar-Athletes, 70 WCHA All-Academic Team members, 71 Academic All-Big Ten at-large selections and 118 OSU Scholar-Athletes.

In 2009, Liana Bonanno became the program's first CoSIDA/*ESPN The Magazine* Academic All-America at-large selection, earning a place on the third team. Jody Heywood also was a two-time finalist for the Hockey Humanitarian Award in 2007 and '08, the first Buckeye on either men's or women's teams to be a finalist for the award.

Barto has not only been behind the Buckeye bench. On the international level, she added another honor to her coaching career as she led the U.S. Women's National Team to the gold medal at the 2008 IIHF World Women's Championship in Harbin, China. As head coach of Team USA, she led the squad to two victories over archival Team Canada en route to what was then just the second U.S. gold medal win at the event. Barto also guided the U.S. Women's Select Team to a silver medal at the Four Nations Cup in November 2007. She was named head coach of the U.S. Women's Under-22 Team for 2008-09, after serving as head coach of the U.S. Women's National and Select teams in 2007-08.

Barto came to Ohio State following a five-year tenure as head coach at Providence College. Under her guidance, the PC program

- of Governors (2000-03), American Women's Hockey Coaches' Association (president 2000-02), Providence College Athletic Hall of Fame (1997), New England Hockey Writer's Coach of the Year (1995), Providence College Female Athlete of the Year (1981 and '84), Words Unlimited Female Athlete of the Year (1984), Female Coach of the Year (1987 and '89 by Words Unlimited), Field Hockey Olympic Development Program (1983) and Newton North High School Hall of Fame inductee (2004).

-
- A close-up photograph of a woman with short, wavy brown hair, wearing a black jacket, looking intently at a young male athlete. The athlete is wearing a white hockey jersey with red and black accents and a black helmet with a silver cage. The jersey has "HOCKEY" and "HOCKEY STATE" visible. The background is blurred, suggesting an indoor sports arena.

Over the years, Barto has been extensively involved with ice hockey and field hockey on the national level. She was a member of the selection committee for the 2006 Winter Olympic U.S. National Women's Hockey team. She was also an assistant coach for the 2003 U.S. Women's Under-22 Select Team who played a three-game exhibition series against Canada. The team also competed at the 2003 USA Hockey Women's National Festival in Lake Placid, N.Y. BARTO'S SCARLET & GRAY HIGHLIGHTS

- Jackie Barto has coached over 500 career games and ranks seventh in career victories among active NCAA Division I coaches.
- Barto has developed an Olympic gold medalist in Tessa Bonhomme (Canada), silver medalist in Lisa Chesson (United States) and two-time bronze medalist in Emma Laakonen (Finland). Current Buckeye Minttu Tuominen also played for Team Finland in the Olympics during her freshman season and several of her OSU teammates are prospects for their respective national teams: Natalie Spooner, Laura McIntosh and Hokey Langan for Canada, Kelly Wild and Chelsea Knapp for the U.S., and Annie Svedin for Sweden.
- The 2006-07 season was a record-setting one for Barto and the Buckeyes. Ohio State reached the 20-win mark for the first time in program history, finishing with a 20-13-4 mark and setting the record for the Buckeyes' longest unbeaten streak at 10 games (9-0-1, Oct. 28-Dec. 8). Ohio State also posted a team-best 30 points in the WCHA standings (13-11-4). The Buckeyes took advantage of home ice with a 12-5-3 record at OSU Ice Rink. After finishing fourth in the league standings, the Buckeyes played host to the WCHA first round playoffs for the first time under the league's new playoff format. OSU swept Minnesota State in the best-of-three series and advanced to the WCHA semifinals at Ridder Arena in Minneapolis against eventual national champion Wisconsin. The Buckeyes completed the season as the 10th-ranked team in both the USCHO.com and USA Hockey national polls.
- The Buckeyes proved in the 2001-02 season they were a force to be reckoned with on the national scene by defeating several nationally-ranked teams. OSU upset No. 3 New Hampshire and No. 4 St. Lawrence and also tied No. 6 Dartmouth. Barto guided two players to five postseason honors. Jeni Creary was named the WCHA Rookie of the Year and All-WCHA First Team selection after leading the nation in scoring for the first half of the season. Laakonen earned JOFA/AHCA Second Team All-America accolades and All-WCHA Second Team honors despite missing 10 games while representing her native Finland at the 2002 Olympic Winter Games.
- In just its second season, Barto's young Buckeye squad took center stage at the WCHA championship in March 2001. Fifth-seeded Ohio State bulldozed past No. 4 St. Cloud State and blanked No. 1 Minnesota to advance to the championship final where the Buckeyes fell to eventual national champion Minnesota Duluth. OSU's run for a postseason title was a fitting end to their second-half campaign, which saw them skate to an 18-16-3 overall record, including 11-10-3 in the WCHA, and finish No. 8 in the national polls. Barto guided the program through a difficult first half of the 2000-01 season before engineering an impressive turnaround midway through the year. The Buckeyes were 12-5-1 in their last 18 contests and finished 7-1-0 at home after the December hiatus, with their only loss at the OSU Ice Rink coming against nationally-ranked Minnesota. They rode a six-game winning streak, including five shutouts, into their championship game against Minnesota Duluth.

SEASON IN REVIEW

- Ohio State concluded the 2009-10 season with a 17-15-5 overall record. The Buckeyes tied for fifth in the WCHA standings with 28 points on a 12-13-3-1 record. They won the tiebreaker with Bemidji State with a 2-1-1 regular-season record against the Beavers.
- The Buckeyes' season came to an end with a double-overtime 5-4 loss to Minnesota in a WCHA Final Faceoff semifinal game March 6 at Ridder Arena. Ohio State advanced to the WCHA semifinal game for the first time since 2007.
- It took two overtimes, but fifth-seed Ohio State swept fourth-seed Wisconsin in the WCHA First Round Playoffs, Feb. 26-27 at the Eagle's Nest Arena in Verona, Wis. The Buckeyes won 3-2 the first game and 4-3 the second game.
- The fifth-seeded Buckeyes became just the second team to upset a higher-seeded team in the five-year history of the WCHA hosting the best-of-three playoff series. Bemidji State then pulled the third upset Sunday with a victory over St. Cloud State to win the series, 2-1.
- Hokey Langan was named WCHA Rookie of the Year and earned a spot on the Second Team All-WCHA, along with senior defenseman Rachel Davis. Sophomore forward Natalie Spooner was a First Team All-WCHA selection.
- Langan led the Buckeyes in points (53) and goals (25), while Laura McIntosh led the team in assists (35).
- Langan's point total ranked second in the Ohio State season records, just one shy of tying the record. She set the Buckeye record for freshman scoring by nine points. McIntosh's assists also rank second in the season records and she is just the second player to set up over 30 goals in a season.
- During the season, Langan tied for the second-longest point streak in team history with 14 games (from Oct. 23-Jan. 3). She had 24 points in that span. She led the Buckeyes with 15 multiple-point games. She was held without a point in back-to-back games just twice.
- Only two years into their careers, McIntosh and Spooner rank in the top 15 of career scoring in the OSU records. McIntosh has 84 points (21g, 63a) to stand in 11th, while Spooner has 74 points (43g, 31a) for 14th.
- In net for the majority of the season was freshman goalie Chelsea Knapp – the first rookie in net for Ohio State since the inaugural 1999-2000 season. She was 15-15-5 with a 3.02 GAA and .894 save percentage.
- Knapp had 883 saves to finish three saves away from tying Ohio State's season record of 886 set by Liana Bonanno in 2008-09. They are the only two Buckeyes to make more than 800 saves in a season.
- Davis was named to the West team to compete in the 2010 NCAA Skills Challenge at the NCAA Men's Frozen Four in Detroit.
- Ohio State had four representatives play in the 2010 Winter Olympics in Vancouver with each of them picking up a medal. Two-time All-American Tessa Bonhomme earned gold as a defenseman with Canada, three-time All-WCHA honoree Lisa Chesson earned silver as a defenseman with the United States and All-American Emma Laaksonen, the Finnish team captain, and freshman forward Minttu Tuominen were bronze medalists with Finland. It was the first Olympic appearance for Bonhomme, Chesson and Tuominen and the fourth Games for Laaksonen.
- Ohio State played in their 11 overtime games, setting a team record after two seasons with 10 OT games. They were 3-3-5 in extra session games. Five of Ohio State's 11 overtime games were played in February and one in March.
- The Buckeyes had at least one win against six of the seven WCHA opponents, with Minnesota the only won OSU did not defeat. Ohio State was the last team to beat Minnesota Duluth (6-3 win Feb. 13) before its run to the WCHA and NCAA championships.
- OSU defeated the Badgers four times this season (4-2-0). The team had just three total wins over UW in the previous 10 seasons.
- The Buckeyes were 9-6-4 on the road.
- Ohio State set a team record with four hat tricks in 2009-10: two by Hokey Langan (including a four-goal game), one by Natalie Spooner and one by Minttu Tuominen. Other season team records were set include: goals (122), assists (204), points (326) and shots (tied, 1,214).
- Ohio State had the fifth-highest scoring offense in the NCAA at 3.30 goals per game and the power play was third in the nation at 21.8 percent (36-of-165).

DEPARTMENT OF ATHLETICS

The varsity program is respected as one of the most comprehensive in all of college athletics and is 36 sports strong – 16 for men, 17 for women and three coed. The department operates on a budget in excess of \$100 million. Each year, Ohio State teams claim numerous Big Ten championships, compete in NCAA tournaments and vie for national titles while producing countless individual conference and national champions, All-America performers and scholar-athletes.

Ohio State's Department of Athletics is under the direction of Eugene Smith. Just the eighth athletics director in Ohio State history, Smith has developed a vision that will keep the Buckeyes among the nation's elite in the 21st century.

Ohio State is recognized across the country as a leader in collegiate athletics. More than 1,000 student-athletes participated in 2009-10.

With rich tradition as a foundation and with state-of-the-art facilities, such as Bill Davis Stadium, Value City Arena at the Jerome Schottenstein Center, Jesse Owens Memorial Stadium, the Younkin Success Center and Ohio Stadium, the Buckeyes' outlook for the future appears even brighter than their glorious past.

WHAT IS A BUCKEYE?

A small, shiny, dark brown nut with a light tan patch that comes from the official state tree of Ohio, the buckeye tree. According to folklore, the Buckeye resembles the eye of a deer and carrying one brings good luck. "Buckeyes" has been the official Ohio State nickname since 1950, but it had been in common use for many years before.

The first recorded use of the term Buckeye to refer to a resident of the area was in 1788, some 15 years before Ohio became a state. Col. Ebenezer Sproat, a 6-foot-4-inch man of large girth and swashbuckling mannerisms, led the legal delegation at the first court session of the Northwest Territory in Marietta. The Indians in attendance greeted him with shouts of "Hetuck, Hetuck" (the Indian word for buckeye), it is said because they were impressed by his stature and manner. He proudly carried the Buckeye nickname for the rest of his life and it gradually spread to his companions and other local settlers. By the 1830s, writers were commonly referring to locals as "Buckeyes."

Men's Soccer, the Big Ten regular season and tournament champions, advanced to the second round of the NCAA Tournament, making its seventh appearance in 10 years and finishing the season 12-5-4 with a 4-2-0 record in the Big Ten. Matt Gold was named first-team All-Big Ten and Academic All-Big Ten.

Alicia Herron, Sam Marder and Melanie Nichols received first-team All-Midwest Region honors as the **softball** team advanced and hosted another NCAA Regional. The Buckeyes finished the year with a 39-14 overall record and 16-2 mark in the Big Ten, finishing second in the conference. After leading the Big Ten with an .817 slugging percentage and .569 on-base percentage, Marder became the program's first three-time All-American.

The **women's gymnastics** Buckeyes advanced to their fifth-consecutive NCAA Regional. Senior captain Hillary Dow and junior Rebecca Best received second-team All-Big Ten honors. Best is the first three-time award-winner under head coach Carey Fagan.

The **fencing** team finished fourth at the NCAA Championships, extending the Buckeyes' streak of Top 5 finishes to nine, dating back to 2002. Five Buckeyes were named to the All-America squad.

Thad Matta directed the **men's basketball** Buckeyes to a sixth-consecutive 20-win season in 2009-10, an Ohio State record for consecutive seasons with 20 or more wins. The stretch also extended Matta's personal record to 10-consecutive seasons with 20-plus victories. Matta was named Big Ten Coach of the Year while junior Evan Turner led the way on the court for the Big Ten regular season and tournament champions. Despite missing more than a month of the season recovering from broken bones in his back, the Chicago native swept national player of the year awards after averaging 20.4 points, 9.2 rebounds and 5.9 assists as the Buckeyes advanced to the NCAA Tournament Sweet 16.

The **women's track and field** team finished second at the Big Ten indoor championships, its highest team finish in nine years. Christina Manning (60-meter hurdles) and Maggie Mullen (Javelin) received All-America honors. Manning, Mullen and

Letecia Wright qualified for the NCAA outdoor championships in Eugene, Ore.

The **women's basketball** team won a record-setting sixth-consecutive Big Ten regular season championship. No team - men's or women's - has won six straight Big Ten regular season titles. Ohio State won its second-consecutive Big Ten tournament championship and produced a program-record 31 wins. Jantel Lavender was named Big Ten Player of the Year for the third-consecutive season and received first-team All-Big Ten honors along with Samantha Prahalis.

The **men's track and field** team posted another solid all-around season with Top 3 finishes at the Big Ten's indoor and outdoor championships. Jeff See, Thomas Murdaugh and Matt DeChant were named All-Americans. See, Murdaugh, Stephen Robinson, Korbin Smith, Elon Simms and Brandon Woodard were all Big Ten champions.

Men's volleyball won its fourth-consecutive Midwestern Intercollegiate Volleyball Association regular season championship and captured its third-consecutive MIVA Tournament championship. The tournament title earned the Buckeyes a bid to the NCAA Championship semifinals. Steven Kehoe and Shawn Sangrey earned AVCA All-American second team honors. Kehoe, Sangrey, John Klanac and Kevin Hein were named to the MIVA All-Conference team. OHIO STATE TRADITIONS

BUCKEYE LEAVES

A round white decal, about the size of a quarter, with a green depiction of a buckeye leaf is applied to Ohio State football helmets for big plays and consistency on the field. This tradition started in 1968 when football coach Woody Hayes and longtime trainer Ernie Biggs changed the look of the Ohio State uniforms. Many of the sports at Ohio State incorporate Buckeye Leaves into their equipment and uniforms.

SCRIPT OHIO

The signature formation of the Ohio State University Marching Band performed before, during halftime or after home football games is Script Ohio.

Each time the formation drill is performed, a different fourth- or fifth-year sousaphone player has the privilege of standing as the dot in the "i" of "Ohio."

At exactly 16 measures from the end of "Le Regiment," the drum major struts out toward the top of the "i," with a senior sousaphone player high-stepping a couple of paces behind. As the crowd's cheering crescendos, the drum major stops and dramatically points to the spot where the sousaphone player then assumes the post of honor, doffs his or her hat and bows deeply to both sides of the stadium.

Woody Hayes, Bob Hope and Jack Nicklaus are among the select few non-band members who have had the honor of dotting the "i."

First performed at the OSU-Pittsburgh football game Oct. 10, 1936, Script Ohio was named one of Athlon Sports' 10 Greatest Football Traditions in 1999.

BRUTUS BUCKEYE

One of the more visible symbols of Ohio State athletics is Brutus Buckeye, the school's mascot. In 1965, an art student designed and introduced the first Brutus, while the name was chosen in a contest. The mascot began as a hardened paper mache affair that looked like a bowling ball with legs. In 1975, a radical new Brutus was designed with a prune-like head and a man's body. That attempt was booed off the field and was re-worked, giving way to a mascot comparable to the beloved present-day Brutus.

The original choices for Ohio State's mascot included a ram, an elk, a moose and the leading candidate, a male deer. Due to the skittish nature of deer, the idea of a mascot was tabled until January 1941 when "Chris," a German police dog owned by an assistant cheerleader, made an appearance at a basketball game. The dog's career was short-lived and OSU remained without an official mascot until the 1960s.

SCHOOL SONGS

Ohio State proudly boasts an alma mater (Carmen Ohio), two fight songs (Across the Field and Buckeye Battle Cry) and a state rock song (Hang on Sloopy).

BUCKEYE BATTLE CRY

In old Ohio there's a team
that's known thru-out the land;
Eleven warriors, brave and bold,
whose fame will ever stand.
And when the ball goes over,
our cheers will reach the sky,
Ohio field will hear again
The Buckeye Battle Cry –

Drive! Drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio!
Smash through to victory.
We cheer you as you go:
Our honor defend
We will fight to the end for O-hi-o.

ACROSS THE FIELD

Fight the team across the field,
show them Ohio's here
Set the earth reverberating
with a mighty cheer Rah! Rah! Rah!
Hit them hard and see how they fall;
Never let that team get the ball,
Hail! Hail! the gang's all here,
So let's win that old conference now.

SCARLET AND GRAY

Ohio State's official school colors since 1878, scarlet and gray were chosen by a group of three students in a lecture room in University Hall because "it was a pleasing combination ... and had not been adopted by any other college," noted selection committee member Alice Townshend Wing.

TBDBITL

"The Best Damn Band in the Land" is the 225-member, all-brass Ohio State University Marching Band that formed in 1879 as a military band. Also known as "The Pride of the Buckeyes," the band perhaps is best known for the incomparable Script Ohio. Another band tradition of note is the "skull session," a warmup concert/pep rally in St. John Arena, open to the public before every home football game that allows the band to play and "think through" the show one last time. More than 10,000 fans regularly attend each skull session.

CHEERLEADERS

Buckeye cheerleaders are a constant source of support at all athletics events. The squad took second at the 2001 College Cheerleading National Championship, its highest finish since winning the 1993 title, and has placed first in the northeast region in 19 of the last 21 years. The squad was 15th at the 2008 national championships. The cheerleaders make appearances all over the state of Ohio throughout the year.

CARMEN OHIO

Oh! Come let's sing Ohio's praise, And songs to Alma Mater raise;
 While our hearts rebounding thrill, With joy which death alone can still.
 Summer's heat or Winter's cold. The seasons pass, the years will roll;
 Time and change will surely show, How firm thy friendship O-HI-O.

E Gordon Gee, among the most highly experienced and respected university presidents in the nation, returned to The Ohio State University after having served as Chancellor of Vanderbilt University for seven years. Prior to his tenure at Vanderbilt, he was president of Brown University (1998-2000), The Ohio State University (1990-97), the University of Colorado (1985-90), and West Virginia University (1981-85).

Born in Vernal, Utah, Gee graduated from the University of Utah with an honors degree in history and earned his J.D. and Ed.D degrees from Columbia University. He clerked under Chief Judge David T. Lewis of the U.S. 10th Circuit Court of Appeals before being named a judicial fellow and staff assistant to the U.S. Supreme Court, where he worked for Chief Justice Warren Burger on administrative and legal problems of the Court and federal judiciary. Gee returned to Utah as an associate professor and associate dean in the J. Reuben Clark Law School at Brigham Young University, eventually achieving the rank of full professor. In 1979 he was named dean of the West Virginia University Law School, and in 1981 was appointed to that university's presidency.

Active in a number of national professional and service organizations, Gee served as a Trustee for the Harry S. Truman Scholarship Foundation and as chairman of the Kellogg Commission on the Future of State and Land Grant Universities. He is a member of the National Commission on Writing for America's Families, Schools, and Colleges, founded by the College Board to improve the teaching and learning of writing. He also serves on the NCAA Presidential Taskforce on the Future of Intercollegiate Athletics.

Gee is a member of the Board of Governors of the National Hospice Foundation and the Advisory Board of the Christopher Isherwood Foundation. He also is a member of the Business-Higher Education Forum.

Gee has received a number of honorary degrees, awards, and recognitions. He was a Mellon Fellow for the Aspen Institute for Humanistic Studies and a W.K. Kellogg Fellow. In 1994, he received the Distinguished Alumnus Award from the University of Utah as well as from Teachers College of Columbia University. He is the co-author of 11 books and the author of numerous papers and articles on law and education.

Gee's daughter, Rebekah, is a physician and Robert Wood Johnson Fellow at the University of Pennsylvania Medical School.

ASSOCIATE VICE PRESIDENT/DIRECTOR OF ATHLETICS GENE SMITH

Gene Smith is in his fifth year as director of athletics at The Ohio State University. He was named to his current position on March 5, 2005. On March 17, 2008, Gordon Gee, president of The Ohio State University, promoted Smith to university assistant vice president/director of athletics and he has since been named associate vice president/director of athletics.

Smith is the eighth person to hold the athletics director position at Ohio State and the first African-American to do so. He previously served as director of athletics at Arizona State, Iowa State, and Eastern Michigan Universities, and is entering his 24th year in the role.

At Ohio State, the 53-year old Smith oversees one of the nation's largest and most successful college athletic programs. The Buckeyes have 36 fully-funded varsity sports and more than 1,000 student-athletes. The department of athletics is completely self supporting and receives no university funds, tax dollars or student fees. In fiscal year 2008-09, the department transferred nearly \$26 million in assessments to the university, including more than \$13 million in grant-in-aid reimbursement. In Smith's first three years at Ohio State, the department of athletics finished in the black financially and increased its reserve fund.

Upon arriving at Ohio State, Smith quickly established himself as a respected and thoughtful leader, both within the university and the community. In the spring of 2007, he unveiled a five-year strategic plan, reflecting the department's goals and values. The strategic planning process, inclusive of the entire department, emphasized the development of the total student-athlete.

Under Smith's leadership, The Ohio State Department of Athletics was honored in the spring of 2008 with the Diversity in Athletics Award in the category of Overall Excellence in Diversity. Smith accepted the honor at the 43rd annual National Association of College Directors of Athletics Convention in Dallas.

Shortly after Ohio State was honored as a department for its dedication to diversity, Smith was individually recognized for his contribution to the sport of football.

The National Football Foundation & College Hall of Fame, announced in June of 2008 the recipients of the NFF's 2008 Major Awards. Smith was honored officially Dec. 9, 2008 in New York with the John L. Toner Award. Presented annually, the Toner Award is given to a director of athletics who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football.

Smith was recently appointed to the Governing Board of Trustees of the Lincoln Theatre Association. He was named to the position by the Franklin County (Ohio) Board of Commissioners. It is a three-year appointment effective March 10, 2009.

Nationally, Smith is involved with USA Basketball as a member of the Finance & Audit Committee. That appointment was made March 25, 2009. The Finance & Audit Committee is responsible for making recommendations to the Board regarding the organization's financial investments, reviewing independent auditors for USA Basketball and, if necessary, oversight, implementation and compliance with the USA Basketball Code of Ethics.

Smith has an exemplary record of national leadership and service. In 2007, he served as president of the Division I-A Athletic Directors Association. He is entering his third year on the prestigious NCAA Men's Basketball Committee and was appointed chair of the committee for the 2010-11 academic year, with his term as chair beginning Sept. 1, 2010. Smith was recently named to the newly created Basketball Academic Enhancement Group, a 27-member panel charged with developing strategies to enhance academic performance and graduation rates in Division I men's basketball.

Smith is past president of the National Association of Collegiate Directors of Athletics (NACDA) and was that organization's first African-American president. He also has served on the NCAA Management Council, the NCAA Committee on Infractions, the NCAA Executive Committee, the NCAA Football Rules Committee, the President's Commission Liaison Committee, the NCAA Baseball Academic Enhancement Task Force, and the National Football Foundation Honors Court, among others.

In recognition of his service, Smith was named by Black Enterprise Magazine as one of the "50 Most Powerful African American in College Sports." In 2007, he was named to NACDA's inaugural "Legends Class," and was also named Athletic Administrator of the Year by the Black Coaches Association (BCA). In 2002-03, he received NACDA's AD of the Year honors for the Division I-A West Region.

Smith grew up in Cleveland, Ohio, and attended the University of Notre Dame on a football scholarship. He played four years of football as a defensive end for the Irish and was a member of the 1973 Associated Press national championship team. Smith received his bachelor's degree in business administration from Notre Dame in 1977. Following graduation, he joined the Notre Dame coaching staff under Dan Devine and remained in that capacity until 1981. The 1977 Notre Dame team captured the undisputed national championship.

Smith left Notre Dame following the 1981 season to accept a marketing position with IBM. He returned to college athletics in April of 1983 as assistant athletics director at Eastern Michigan University. In 1985, he was appointed as interim director of athletics at Eastern, a position he held until 1986 when he became the director on a full-time basis.

In 1993, Smith was named director of athletics at Iowa State University. He moved to Arizona State as director of athletics in 2000.

As a former college athlete and coach, Smith is passionate about the well being of student-athletes. "We want to create an environment for our student-athletes to be successful academically, athletically and socially," he says. "The student-athlete experience provides teachable moments that prepare young women and men for success in life."

Smith is active in the Columbus community and is a member of the board of the YMCA of Central Ohio. He also is active with the Bell Center for African American males on Ohio State's campus.

Gene and his wife, Sheila, have four children: Matt, Nicole, Lindsey and Summer, and two grandchildren: Marshall and Steele. Sheila, a 1976 Canadian Olympian in basketball, holds a doctorate in higher education administration and is an associate vice president for development at Ohio State.

BIG LIFE. BIG STAGE. BIG TEN.

JAMES E. DELANY **Big Ten Conference Commissioner**

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany enters his 21st year in that role. He has led the Big Ten through significant periods of change and growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality athletic and academic experiences for young people.

STUDENT-ATHLETE OPPORTUNITIES

- Big Ten universities provide approximately \$100 million in direct financial aid to more than 8,500 men and women student-athletes who compete for 25 championships, 12 for men and 13 for women.
- Conference institutions sponsor broad-based athletic programs with more than 270 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.

TOP ACADEMIC INSTITUTIONS

- Big Ten universities are members of the nation's only conference whose constituency is entirely composed of institutions that are members of the AAU, a prestigious association of major academic and research institutions in the United States and Canada.

MORE TELEVISION EXPOSURE

- The Big Ten's media agreements with CBS Sports, ABC/ESPN, the Big Ten Network and CBS College Sports Network provide the conference with its greatest television exposure ever.
- In 2006, the Big Ten created the first national conference-owned television network devoted to the athletic and academic programs of a single conference. The Big Ten Network launched on Aug. 30, 2007, and became the first new network in cable or satellite television history to reach 30 million homes in its first 30 days. The Big Ten Network is now available to more than 70 million homes nationally through agreements with more than 250 cable/satellite affiliates and appears in 23 of the top 25 national media markets.
- Since the current media agreements began in 2007-08, every home football and men's basketball game has been produced while women's basketball has received more coverage than any other conference.
- The Big Ten's new media agreements have resulted in the broadcast of more than 500 events nationally and regionally on an annual basis, compared to 300 events in the final year of the previous agreements.

NATION'S BEST FANS

- Big Ten fans are some of the nation's most supportive, with more than 8.7 million patrons attending conference home contests during the 2008-09 seasons for football, men's and women's basketball and volleyball alone.
- Over the last 31 seasons, the conference has ranked either No. 1 or No. 2 nationally in football, men's basketball and wrestling attendance. For the past 17 seasons, women's basketball has been ranked either No. 1 or No. 2 nationally in attendance.
- Big Ten institutions have more than 4.2 million living alumni and over 300,000 undergraduate students attending their universities.

The Big Ten Conference is a union of 11 world-class academic institutions who share a common mission of research, graduate, professional and undergraduate teaching and public service. The conference's 100-plus years of history, strong tradition of competitive intercollegiate athletic programs, vast and passionate alumni base, and consistent leadership in innovations position the Big Ten and its entire community firmly on the Big Stage.

The Big Ten has sustained a comprehensive set of shared practices and policies that enforce the priority of academics and emphasize the values of integrity, fairness and competitiveness in all aspects of its student-athletes' lives, with the ultimate goal of ensuring that each individual has the opportunity to live a Big Life.

SUCCESSFUL PROGRAMS

- During the 2008-09 season, the Big Ten claimed five team national championships, including titles for Iowa wrestling, Penn State fencing and women's volleyball, Northwestern lacrosse and Wisconsin women's ice hockey. In addition, Big Ten teams finished as the national runners-up in men's basketball and men's gymnastics.
- Big Ten teams have claimed at least three national titles in nine of the last 10 seasons (1999-2000 through 2008-09). Over the last decade, the Big Ten has produced team national crowns in the sports of basketball, cross country, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, soccer, softball, synchronized swimming, tennis, track and field, volleyball and wrestling.

LEADERSHIP IN GENDER EQUITY

- Since 1992, the Big Ten has shown a strong commitment to increasing opportunities for women in sports and exposure of women's athletics by establishing a multi-phased gender equity program. In that time, the Big Ten has created in excess of 2,000 new opportunities for women student-athletes and established 28 new women's teams, while expanding the number of women's championships to 13 by adding field hockey, soccer and rowing.
- As part of the gender equity action plan, the Big Ten was the first conference to voluntarily adopt male/female participation goals for student-athletes in 1992. The Big Ten initiated a five-year plan for conference members to commit to a 60 percent/40 percent male-to-female student-athlete participation ratio. This was achieved as a conference by 1997 and 2000 was the first year that all institutions individually met this goal. As part of its commitment to gender equity, the Council of Presidents/Chancellors annually monitors this policy. During the 2007-08 year, all institutions were in compliance and the conference averaged a 52/48 male-to-female participation ratio.

BUILDING THE FUTURE

- In 1989, the Big Ten created a community outreach program—SCORE (Success Comes Out of Reading Everyday), which partners the conference with two Chicago elementary schools to improve reading performances. What began with one school, two grade levels and five classrooms has grown in its 20th year to include grades kindergarten through eighth, encompassing all classes and students at Melody School and Louis Armstrong School.
- Following the national tragedy on Sept. 11, 2001, the Big Ten, through its intercollegiate athletic department revenues, pledged a \$1 million scholarship contribution to assist the families of those affected by the terrorist attacks. The conference's donation is called the "Big Ten 9-11 Scholarship Fund", and the \$1 million contribution will be drawn from conference reserves which are generated as a result of football and men's basketball participation in NCAA, bowl and regular-season television opportunities.
- The Big Ten has established numerous community programs surrounding the Big Ten Men's and Women's Basketball Tournaments, including the Wayne Duke Postgraduate Award Scholarship, the Big Ten Career Fair, the Hoops Day 5K and a partnership with the Pink Ribbon Connection, a local breast cancer organization.

The logo for the Big Ten Network. It features the words "BIG TEN" in a large, bold, italicized sans-serif font. Below this, the word "NETWORK" is written in a smaller, bold, italicized sans-serif font. At the bottom of the logo is a horizontal row of ten blue stars. The entire logo is set against a white background.

NCAA COMPLIANCE REGULATIONS

The Ohio State University Athletics Compliance Office is committed to a comprehensive compliance program that educates everyone about the importance of adhering to NCAA, Big Ten, and institutional rules. We strive to create a “compliance conscience” within the university and throughout the community.

The commitment to compliance ensures institutional control over the department of athletics and furthers the mission of The Ohio State University. The existence of a successful compliance program depends on the willingness of coaches, administrators, staff, student-athletes and boosters to be cognizant of NCAA, Big Ten and institutional rules.

WHAT IS COMPLIANCE?

At Ohio State, the athletics compliance office works within the department of athletics and the university to ensure Ohio State’s compliance with all applicable rules. In doing so, the compliance office is charged with the following tasks:

- Educating administrators, coaches, staff, prospects, student-athletes and boosters about NCAA, Big Ten and institutional rules;
- Developing monitoring systems to ensure compliance with these rules. These systems are designed to monitor rules pertaining to recruiting, academic eligibility, financial aid, awards, extra benefits, ethical conduct, amateurism, agents, employment, occasional meals and the playing and practice seasons for each sport; and
- Investigating and reporting violations of NCAA, Big Ten and institutional rules to the appropriate governing authority.

ARE YOU A BOOSTER?

You are a booster if you are or ever have:

- Been a member of a booster organization that supports Ohio State athletics;
- Made any financial contributions to any area of Ohio State;
- Made any annual or lifetime membership commitment to a booster organization;
- Been involved with the recruitment of a prospect;
- Provided benefits to an enrolled student-athlete or their relatives or friends;
- Been involved in promoting Ohio State’s athletic program;
- Provided or helped to arrange employment for student-athletes;
- Participated in a group loosely associated with the athletics department (e.g., “Friends Of” group);
- Been a season ticket holder.

If you do not meet the definition of a booster, you can still be classified as a booster if you provide benefits to prospects, student-athletes, their relatives or friends and any of the following statements are true.

- ## WHAT IS AN EXTRA BENEFIT?

A recruiting inducement or extra benefit is any special arrangement by an Ohio State University employee or booster to provide a prospect, a student-athlete or their relatives or friends a benefit not expressly authorized by the NCAA. Examples of impermissible extra benefits include but are not limited to:

- cash or any type of gifts;
- loans or cosigning of loans;
- vehicle or the use of a vehicle;
- payment for or arrangement of transportation costs;
- free or reduced cost goods or services;
- free or reduced cost housing;
- concert or sporting event tickets; or
- any item not expressly permitted under NCAA rules

WHAT ARE THE CONSEQUENCES?

Ohio State is responsible for the actions of its boosters. If a booster provides an impermissible benefit to a prospect, a student-athlete, or their relatives or friends, Ohio State may be subject to penalties, even if the student-athlete has completed his or her eligibility. The prospect or student-athlete who accepts an impermissible benefit jeopardizes his or her eligibility for intercollegiate competition. A booster who provides an impermissible benefit may be disassociated from the university's athletics program. Disassociation results in a loss of all benefits or privileges offered by the department of athletics and may involve other penalties as appropriate.

The provided information is a brief overview of compliance and rules pertaining to boosters and their interactions with prospective and current student-athletes. It is not an exhaustive discussion. If you have any questions about any NCAA, Big Ten or institutional rules, please contact the Athletic Compliance Office at (614) 292-2681 or via email at compliance@buckeyes.ath.ohio-state.edu.
